INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

Column 2 (AGE).—The return of age in column 2 should be expressed in every instance, the latest birthday previous to arrival.

Column 3 (SEX).—The entry in column 3 should be either M (male) or F (female).

Column 4 (RACE).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, mechanical engineer, locomotive engineer, mining engineer, press holder, steel holder, iron molder, wood turner, etc., and not simply as engineer, holder, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, according to the following:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Gardeners combining should make this distinction on the manifest, but correctness in this matter is not essential.

Stockmen should be classified by inspectors and together with the foregoing examination of alien arrives.

Column 7 (Able to read and write).—Column 7 is to be subdivided into two entries thereon as follows: Yes—No (can read and write), or No—No (can neither read nor write), or No—Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be completed to show the country of which the alien is a native or subject.

Column 9 (Race or people).—Complete all races on pages 1 and 2 of this manifest. The entry in column 8 should be such as to indicate the race or people as given in page 1.

Alberta alteration should be made to the distinction between race and nationality, but wherever possible should be carefully tested by inspectors and together checks in this regard. For instance, "France" is a nation and a race, but "French" means a nationality, as does "England," "Scotland," "Ireland," "Germany," "Italy," "Spain," "Portugal," "Russia," "Turkey," "Greece," "Sweden," "Norway," "Denmark," "Holland," "Belgium," "Switzerland," "Austria-Hungary," or any other country, which is classed as "Italian (north)." Most of these people should have a similar distinction of the Italian language.

ITALIAN (SOUTH).

In this connection the following distinctions should be especially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

HAWAIIAN (KANAKA).

"Rhenish-Austrian" refers to the people of Central and South America of Rhenish descent.

NEGRO (BLACK).

"African (black)" refers to the African Negro, employed coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who is an admixture of the African Negro should be classified under this heading.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

ITALIAN (NORTH).

The people who are native to the head of the River Po in northern Italy (*i. e.*, comprising the departments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." *Note.*—A list of these people whose surnames are usually Gallic dialects of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the head of the River Po (*i. e.*, comprising the departments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicate, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence to one year shall constitute permanent residence. Any intended residence. The last country in which alien resided with the intention to remain permanent residence. The last country in which alien resided with the intention to remain but as long as one year shall be the last permanent residence preceding the coming; and not as to any temporary residence therein. The entries in column 10 should show the country, and not as to any temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a temporary visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative, if no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to ship final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (If not, how much money has he?).—The entry in column 14 should show definitely by whom brought, how held, as bill, purchase, father, brother, or other relative; friend; employer, society, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column should show in each case (individual or family) the exact amount of money in the possession of the family.

Money should be the property of the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 16 should be Yes or No, and if Yes, the date; and place; as, 1894—Philadelphia.

Column 17 (Whether ever before refused admission to the United States or deported).—The entry should be Yes or No, and if Yes, the date; as, 1894—Philadelphia.

Column 18 (Condition of health, mental and physical).—The entry should be Good, Fair, or Poor, and if Fair or Poor, the nature of the defect should be stated; as, Fair—lame; Poor—consumptive.

Columns 19 to 22.—The answers in these columns are subject to inspection by the immigration officer at the examination of aliens.

Columns 2 (age).—The return of age in column 2 should be expressed as given on the last birthday previous to the coming of the alien.

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, electrical engineer, locomotive engineer, mining engineer, steam engineer, head bookkeeper, stock keeper, wood turner, etc., and not simply as engineer, bookkeeper, turner, or other indefinite designations.

The distinction should be made between farmers and farm laborers, terms which are sometimes used synonymously, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the farm who operates it.

Blacksmith, compositor, bricklayer, clerk, cook, dressmaker, engineer, fireman, laborer, lawyer, machinist, miner, porter, sailor, servant, shoemaker, tailor, tinner, weaver, and all others should be described by the occupation at which they usually work or intend to work in this country, and not merely as laborer.

Column 5 (Can read or write).—Column 5 is subdivided into the entries Yes—Yes (can read but can not write), Yes—No (can read but can not write), No—No (can neither read nor write), or No—No (can read but not write).

Column 6 (Nationality).—Column 6 should be completed to show the country to which the immigrant is at present allegiance.

Column 7 (Race or people).—See list of races on back of this manifest. The entry in column 8 should show the race or people as given in this list.

Special attention should be paid to the distinction between race and nationality, but nationality should be carefully observed by remembering that country cloaks it this regard. For instance, "Scotch" or "French" appertains to a nationality does not necessarily mean "French" or "Scotch" by race or people, and similarly "French" appertains to a nationality does not necessarily mean "France" by nationality. As often as the Irish, Germans, or Hebrew by race might properly be classed respectively as English, German, or Russian, the actual nationality should be given in column 6.

The term "Greek" refers to the Greek people (not Yezzoes).

THE ISTHMUS.

"West Indian" refers to the people of the West Indies other than Cuba (not Yezzoes).

MEXICO-MEXICAN.

"Mexican" refers to the people of Central and South America, Mexico, or Mexican descent.

ARABIA (ARAB).

The term "Arabian" refers to the Arabian Yezzo, whether coming from Cuba or other islands, the letter applying only to those under 1 year of age.

Column 9 (Sex).—The entry in column 9 should be either M (male) or F (female).

Column 10 (Married or single).—The entry in column 10 should be either M (married), S (single), W (widowed), D (divorced).

Column 11 (Calling or occupation).—The entry in column 11 should be entirely as column 4.

Column 12 (Can read or write).—The entry in column 12 should be entirely as column 5.

Column 13 (Height).—The entry in column 13 should be entirely as column 6.

Column 14 (Complexion).—The entry in column 14 should be entirely as column 7.

Column 15 (Color of hair).—The entry in column 15 should be entirely as column 8.

Column 16 (Color of eyes).—The entry in column 16 should be entirely as column 9.

Column 17 (Marks of identification).—The entry in column 17 should be entirely as column 10.

Column 18 (Condition of health, mental and physical).—The entry should be Good, Fair, or Poor, and if Fair or Poor, the nature of the defect should be stated; as, Fair—lame; Poor—consumptive.

Columns 19 to 22.—The answers in these columns are subject to inspection by the immigration officer at the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. S. QUINN, Chief Officer, of the S.S. LAPLAND, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR, that I have carefully examined the entries on the said vessel's manifest, on the one part, and the answers to the questions required by the Immigration Act, 1910, on the other part, and that, to the best of my knowledge and belief, the answers to the questions in respect of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section 3 of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. S. QUINN
Chief Officer.

Sworn to before me this 17 day of OCTOBER, 19 17, at NEW YORK

[illegible]
Immigration Officer.

14—312

Column 2 (Age).—The letter *a* is to be entered in column 3 should be express in years or months the latter abbreviated only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either *M* (male) or *F* (female).

Column 5 (Married or single).—The entry in column 5 should be either *M* (married), *S* (single), *W* (widowed), or *D* (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien artizan, as for example: (*a*) *a* bookbinder, iron moulder, wood turner, etc., but not simply as laborer, boilermaker, engineer, machinery engineer, locomotive engineer, mining engineer, horse breeder, steel or other indefinite designations.

A distinction should be made between farmers and farm laborers, tradesmen of the various monthly wages, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who employs it.

Photographic companies should make this qualification on the manifests, and corrections should be made, if necessary, by inspectors and reviewers during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either *Yes*—*Yes* (can read and write), *No*—*No* (can neither read nor write), or *Yes*—*No* (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, both of which are frequently confused by inspectors and reviewers. For instance, "France" represents only a nationality and not a race, while "French" represents only a race or people, and similarly "Negro" represents only a race, while "France" represents only a nationality. An alien who is half Chinese, or Hebrew by race, should properly be described as a native of (United Kingdom or such other country by nationality. In this connection the following distinctions should be absolutely observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the *West* Indies other than Cuba (not Negroes).

BRAZILIAN-AMERICAN.

"Brazilian-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the *West* Indies, South or South American, Hebrew or Arab. The entry will be subject to that of blood of the African Negro should be considered under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., the basin and Adriatic Watersheds, Lombardy, Venetia and Liguria) and their descendants, whether Piedmont, Lombardy, Venetia, Liguria, Tuscany, the Abruzzi, Campania, Rome, the Marches and Molise. In Italy, Sardinia, Sicily, Calabria, Apulia, Basilicata, Campania, Abruzzi and Molise (north)," most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., the Watersheds and Liguria), and their descendants, whether Piedmont, Lombardy, Venetia and Liguria, Tuscany, the Abruzzi and Molise, Campania, Rome, the Marches and Umbria, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that alternative countries should not be given, as for example, Austria-Hungary, Russia-Poland, etc., but only the country of last permanent residence independent of country of allegiance, nationality, or race.

Aliens who are becoming residents of the United States and are intending upon arrival to become naturalized citizens should be described as "intending to become citizens of the United States," or "intending to become citizens," or "yes."

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative.

Column 12 (Final destination).—Intended as to the permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the town and State of intended future permanent residence. It should not be sufficient to write "Ohio" or "Cleveland" but "Cleveland, Ohio." It should not be sufficient to write "Texas" or "Dallas" but "Dallas, Texas." It should not be sufficient to write "Pennsylvania" or "Philadelphia" but "Philadelphia, Pa." Aliens who are becoming residents of the United States but are intending upon arrival to remain temporarily in Canada, Mexico, Cuba, or other foreign countries should be described as "intending to become residents of the United States."

Column 13 (Whether ticket is paid for by himself or by others, and whether in possession of money, and how much (not less than $50)).—The entry in column 13 should show whether or not (yes or no) in the United States passage paid for by himself or others, and whether or not (yes or no) he has in his possession at least $50 in money, and how much (not less than $50).

Column 14 (Ever in prison or almshouse, or supported by charity, and if so, what and where).—The entry in column 14 should show whether or not (yes or no) he has ever been in prison or an almshouse or asylum, or supported by charity, and if so, what and where.

Column 15 (Health, mental and physical defect).—The entry in column 15 should show whether or not (yes or no) he is in good health, mentally and physically, and whether or not he is deformed or crippled, and if so, how.

Column 16 (Height).—The entry in column 16 should show the height in feet and inches.

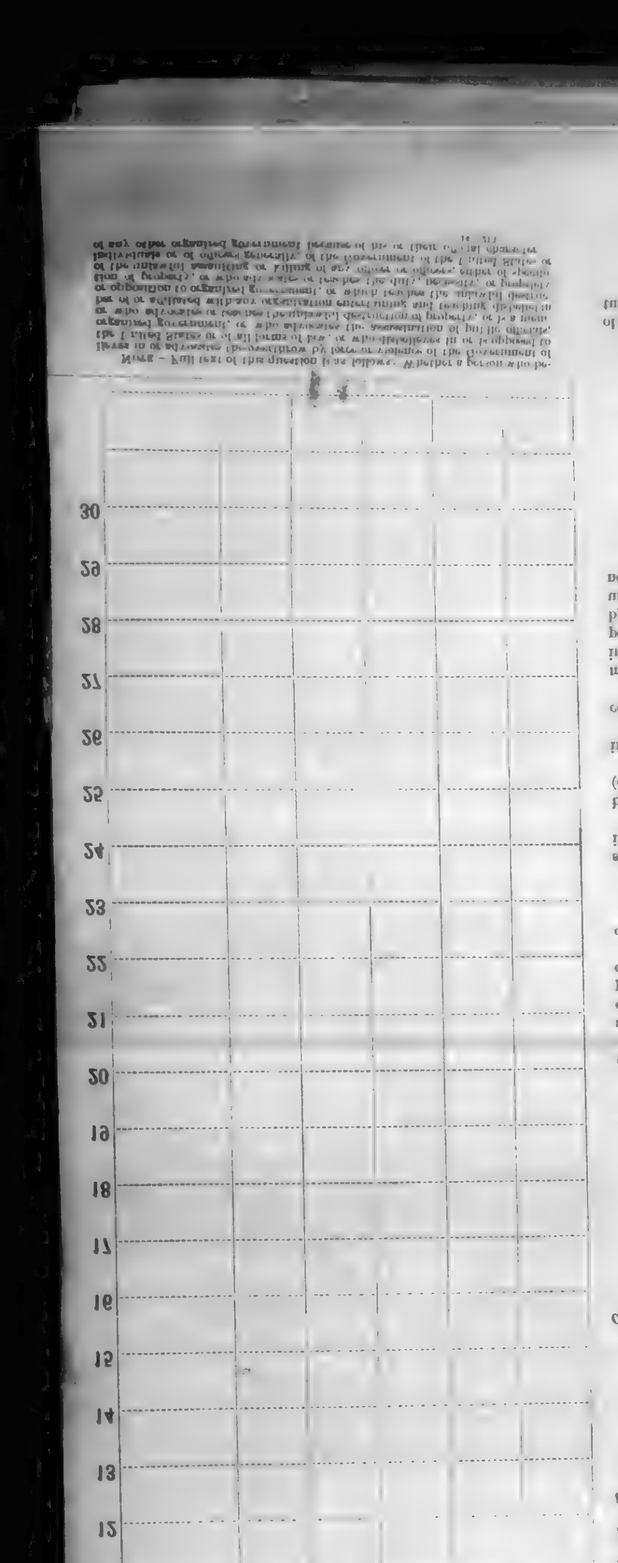
Column 17 (Complexion).—The entry in column 17 should show whether light or dark complexion.

Column 18 (Color of hair and eyes).—The entry in column 18 should show the color of hair and eyes.

Column 19 (Marks of identification).—The entry in column 19 should show any visible distinguishing mark.

Column 20 (Place of birth).—The entry in column 20 should show the place of birth, giving the city or town, and the country.

Column 21 (Head tax).—The entry in column 21 should be "Exempt" or "$8," as the case may be.



Column 22 (Name and address of person whose passage paid).—The entry in column 22 should show the name and complete address of the person who paid for the passage of the alien.

Column 23 (Whether ever before in the United States, when, where, and how long).—The entry in column 23 should show whether the person has been in the United States before, when he came, where he came, and how long he remained.

Column 24 (Whether going to join a relative or friend; and if so, what relative or friend, and where).—The entry in column 24 should show whether the person is going to join a relative or friend; and if so, what relative or friend, and where such relative or friend resides.

Columns 25 to 30.—The answers in these columns are required to be given by each immigrant alien over fourteen years of age, and the immigration officer is required to record the answers in the proper column opposite the name of each such alien.

Immigration Officer.

16—818

I, W S QUINN CHIEF OFFICER of the LAPLAND from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, to the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists of Manifest Sheets, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section 3 of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists of Manifests concerning each of said aliens named therein is correct and true in every respect.

CHIEF Officer.

Sworn to before me this 17th day of OCTOBER, 1917, at NEW YORK

ITALIAN (NORTH).

The people who are native to the head of the Adriatic Sea in northern Italy; i. e., countries, Venice, Milan, Florence, Genoa, Turin, the Abruzzi, Campania, Rome, the Aemilia and Adige countries of Italian. Literally, the Adriatic Highlanders; Cisalpine Gaul; and Sardinians and their descendants should be classed as "Italian (North)."

Italian (North) Immigrant Residence.—An intended residence of one year or more in the United States by a person who was born in the part of Italy bounded on the north by the Alps, on the east by the Adriatic Sea, on the south by the Rubicon River, and on the west by the Mediterranean Sea, including the islands of Sardinia and Corsica.

Italian (North) Non-immigrant Residence.—An intended residence of one year, more or less, in the United States by a person who was born in the part of Italy bounded on the north by the Alps, on the east by the Adriatic Sea, on the south by the Rubicon River, and on the west by the Mediterranean Sea, including the islands of Sardinia and Corsica.

If it is important for statistical purposes that emphasis be placed on the fact that a person is not an immigrant, but is only coming temporarily to the United States for a specific purpose, such as business, pleasure, health, study, etc., and intends to depart from the United States after the accomplishment of that purpose, the words "Non-immigrant" may be added to the entry in column 6 or 7, as the case may be.

Aliens who are temporarily residents of the United States and are entitled to non-immigrant residence should be classed as "Non-immigrant (Temporary Visitor)."

INSTRUCTIONS FOR LILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. S. OLIVER CHIEF OFFICER of the LAFLAND, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR (Here Affirm) that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifests Sheets, SIX in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. S. OLIVER Chief Officer.

Sworn to before me this 17 day of OCTOBER 1924

at NEW YORK

Immigration Officer.

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN (NORTH).

The heading MUST be written to the right of the middle of the page by the Ticket Agent.

Enter in Column 1 the Family Name (Surname) and Given Names (Christian Name) in full of each alien, whether Adult or Minor, Male or Female, Infant, Child, Boy, Girl, Man, Woman, Husband, Wife, Widow, Widower, Father, Mother, Son, Daughter, Brother, Sister, Uncle, Aunt, Nephew, Niece, Grandfather, Grandmother, Grandson, Granddaughter, Cousin, Servant, Domestic, Laborer, Farmer, Farm Laborer, Clerk, Shopkeeper, Tailor, Seamstress, Dressmaker, Milliner, Engineer, Mason, Carpenter, Painter, Shoemaker, Tinsmith, Miner, Blacksmith, Moulder, Machinist, Weaver, Locksmith, Gunsmith, Cutler, Goldsmith, Silversmith, Butcher, Baker, Cook, Saddler, Barber, Hairdresser, Bricklayer, Plasterer, Plumber, Stonecutter, Stone Mason, Glazier, Potter, Tanner, Currier, Shoemaker, Turner, Wheelwright, Cooper, Miller, Rope Maker, Sailor, Fisherman, Navigator, Pilot, Agent, Real Estate Agent, Banker, Merchant, Manufacturer, Contractor, Gentleman, Lady, Physician, Surgeon, Nurse, Midwife, Dentist, Veterinary Surgeon, Chemist, Druggist, Author, Editor, Journalist, Lawyer, Notary Public, Civil Engineer, Mechanical Engineer, Electrician, Architect, Musician, Actor, Actress, Artist (Painter, Sculptor), Showman, Journalist, Interpreter, Photographer, Aviator, Scientific Specialist, Religious Teacher, Missionary, or any other calling, as the case may be. Every person, Male or Female, Infant, Child, Boy, Girl, Man, Woman, must be entered by his or her own proper name and surname, and not merely as "Husband," "Wife," "Child," "Children," "Brother," "Sister," "Servant," "Laborer," "Farmer," "Girl," "Boy," "Woman," "Man," or "Passenger," or by initials, or numbers, or in groups.

Column 2 (Relationship).—Write the word "Head" opposite the name of each alien who is head of a family, whether accompanied by relatives or not. Write the word "Wife" opposite the name of each alien who is the wife of the head of a family. Write the word "Child" opposite the name of each alien who is the child of the head of a family. Write the word "Servant" opposite the name of each alien who is a servant not belonging to the family of the head. Write the word "Boarder" opposite the name of each alien who is a boarder not belonging to the family of the head. Write the word "Lodger" opposite the name of each alien who is a lodger not belonging to the family of the head. Write the word "Partner" opposite the name of each alien who is a partner in business with the head. Write the word "Agent" opposite the name of each alien who is an agent of the head. Write the word "Employee" opposite the name of each alien who is an employee of the head. Write the word "Relative" opposite the name of each alien who is a relative of the head but does not belong to any of the above classes. Write the word "Alone" opposite the name of each alien who is not connected with any other alien.

Column 3 (Age).—Write the age of each alien on his last birthday. Infants under one year old should have "1" written opposite their names.

Column 4 (Sex).—Write "M" for male, "F" for female.

Column 5 (Married or Single).—Write "M" for married, "S" for single, "W" for widow or widower, or "D" for divorced.

Column 6 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien artist, as, for example, "Artist, painter, portrait painter, landscape painter, miniature painter, sculptor, wood engraver, steel engraver, lithographer, etching engraver, mezzotint engraver, wood turner, etc.," and not simply as engraver, designer, modeler, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, tabulating as the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farm who operates it.

Salesmen, engineers, and laborers should make this distinction on the manifests, and corrections should be made.

If necessary, by inspectors and boards of special inquiry during the personal examination of alien arrivals.

Column 8 (Able to read and write).—The column immediately and contains the following direction: "Read what language [or, if a cripple or a child, how many years]." In answering this direction the language or dialect the alien is able to read should be stated. If alien is unable to read but claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Location 9 should be continued to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be had to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of ship, and mistakes should be carefully noticed by inspectors and boards of special inquiry during the personal examination of aliens. For instance, "France" although under the head of country does not mean "French" by race or people, and similarly, "French" although under the head of race or people does not mean "France" by country. An Irish (woman, or Hebrew alien by race or people may [illegible] come under the heading of English, Scotch, or any other country. In this connection the following distinctions should be observed:

GREAT BRITAIN.

The term "England" refers to the United people (not Celtic).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Celtic.

MEXICAN (NATIVE).

"Spanish American" refers to the people (native) and South American of Spanish descent.

MEXICAN (NATIVE).

"Mexican (black)" refers to the Mexican Negro without admixture of blood of the Mexican Indian, Negro or South American Indian, Chinese or other race.

ITALIAN (NORTH).

The people who arrive to the north of the River P in northern Italy (i.e., comprising Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residents in Italy, Switzerland, Italy, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these belong to the Alpine race.

ITALIAN (SOUTH).

The people who arrive to the south of the River P in northern Italy (i.e., comprising Tuscany, Umbria, Marches, Abruzzi and Molise, Campania, Apulia, Lucania (Basilicata), Calabria, Sicily and Sardinia) and their descendants should be classed as "Italian (South)." Most of these belong to the Mediterranean race. The best criterion in which alien belongs is the locality in which he was born or resided with the intention of remaining one year or more. If in doubt, the alien should state to what province he considers himself to belong.

Column 11 (Last birthplace or nationality).—Write the name of the country of which the alien last became a subject or citizen. If a citizen of the United States, write "U. S. A." If a native of Porto Rico, write "Porto Rico." If a native of Hawaii, write "Hawaii." If a native of Alaska, write "Alaska." If a native of the Philippine Islands, write "Philippine Islands." If a native of the Panama Canal Zone, write "Panama Canal Zone." If a native of Cuba, write "Cuba." If a native of Mexico, write "Mexico." If a native of Canada, Newfoundland, Labrador, St. Pierre, Miquelon, or any other country, write the name of such country.

Column 12 (Name of country to which alien intends to go).—The intention should be stated very definitely. It should be the United States.

Column 13 (Final destination).—The intention to this question should show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence if within the United States. Write "Not decided" if undecided.

Column 14 (Whether going to join a relative or friend, and if so, what relative or friend, and complete address).—The entry should show definitely by whom intended future permanent residence will be made, whether by relative, friend, or other person, and the name and complete address of such relative or friend.

Column 15 (Whether in possession of $50 and if not, how much).—The immigration officer is required to make the inquiry and record the answer. Money, whether in the form of cash, bank draft, express order, letter of credit, or other negotiable paper, should be considered in answering this question. The entry should show whether alien has $50 or more, and if less, how much less. Immigration officers should not permit the question to be answered in the mass, but should require each alien to be questioned separately and individually.

Column 16 (Whether ticket is paid for by himself or others, whether he has been assisted in coming, and by whom).—The purpose of this question is to ascertain whether the alien has been induced to emigrate by any person or corporation in order to supply labor. The answer should show whether the ticket is paid for by the alien himself, by relatives, friends, or by any person or corporation. If the ticket is paid for by relatives or friends, the relationship should be stated. If the ticket is paid for by any person or corporation, the name and complete address

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, and complete address).—The purpose of this question is to ascertain whether the alien has friends or relatives in the United States to whom he can go, and if so, what relatives or friends, and their complete address.

Column 18 (Whether ever before in the United States, and if so, when and where).—The purpose of this question is to ascertain whether the alien has been in the United States before, and if so, when and where. The entries should show whether alien has been in the United States before, when he came, where he landed, and where he resided.

Column 19 (Whether ever in prison or almshouse or supported by charitable institution, and if so, what and when).—The purpose of this question is to ascertain whether the alien has been in prison or almshouse or supported by charity. The entry should show whether alien has been in prison or almshouse or supported by charity, what institution, and when.

Column 20 (Whether a polygamist).—These directions are self-explanatory, and the answers to the questions should show whether alien is a polygamist, and if so, what relative or friend, and complete address.

Column 21 (Whether an anarchist).—These directions are self-explanatory, and the answers to the questions should show whether alien is an anarchist, and if so, what relative or friend, and complete address.

Column 22 (Whether coming under contract or agreement to perform labor).—Under the law, the question should be answered in the affirmative if the alien has entered into any contract or agreement to perform labor in the United States, and the nature of such contract or agreement should be stated. Mere expectation or intention to secure employment is not sufficient to require an affirmative answer. INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venice, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising Tuscany, Umbria, Lazio, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—All intended residence of one year shall constitute permanent residence. The last country in which alien lived more than one year before coming to the United States should be given as his last permanent residence. If he intends to establish home in the country, and only to work at his trade or occupation for a temporary period, he is not considered to have a permanent residence therein. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are temporarily residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. It no such relative lives, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show whether the place (city or town) of intended future permanent residence is within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to ship final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom sent through).—The entry in column 15 should show definitely by whom because was paid: husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether ever before in the United States; and, if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or, better, if years) and place; as, 1881, Philadelphia.

Column 17 (Owns or has money; and, if so, how much).—The entry in column 17 should show whether owning money or not (Yes or No); and if so, whether in possession of alien or others; and if others, by whom and where.

Column 18 (Height).—The entry in column 18 should show whether over or under 5 feet in height; and if over, how much; as, over 5 feet, 1 inch.

Column 19 (Color of hair and baldness).—The entry in column 19 should be one or more of the following words: Black, brown, auburn, gray, blond, red, sandy, white, bald, or gray (if more than one color, as brown and gray, or sandy and gray, both should be given).

Column 20 (Color of eyes).—The entry in column 20 should be either Blue, gray, green, brown, black, hazel, or other color.

Column 21 (Complexion).—The entry in column 21 should be one or more of the following words: Fair, dark, light, medium, florid, pale, sallow, freckled, clear, ruddy, or dark.

Column 22 (Build).—The entry in column 22 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Clerk, engineer, steamship engineer, locomotive engineer, machine engineer, stone mason, bricklayer, carpenter, farmer, laborer, farm laborer, servant girl, housekeeper, nurse, or other occupation.

A distinction should be made between "nurse and "nurse laborer," especially as to the amount of money drawn, as follows:

A "nurse is one who observes a term, either for himself or others.

A "nurse laborer is one who works at a term for the man who observes it.

Considerable confusion should exist between "nurse and "nurse laborer, and corrections should be made, if necessary, by inspectors and verify clerks during the personal examination of alien arrivals.

Columns 23 (Able to read and write).—Columns 23 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Y—No (can read but not write).

Columns 24 (Nationality).—Columns 24 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 25 (Race or people).—See list of races on back of this manifest. The entry in column 25 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully severed by inspectors and clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, but primarily "France" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, (German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be abruptly observed:

GUARAN.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Clerk, engineer, stationary engineer, locomotive engineer, machine engineer, stone mason, bricklayer, carpenter, farm laborer, farmer, servant girl, housekeeper, nurse, or other occupation indefinite description.

A distinction should be made between "nurse and "nurse laborer, especially as to the amount of money drawn, as follows:

A "nurse is one who observes a term, either for himself or others.

A "nurse laborer is one who works at a term for the man who observes it.

Considerable confusion should exist between "nurse and "nurse laborer, and corrections should be made, if necessary, by inspectors and verify clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write).—Columns 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Y—No (can read but not write).

Columns 8 (Nationality).—Columns 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully severed by inspectors and clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, but primarily "France" appearing on a manifest does not necessarily mean "France" by nationality. I, **E. O. Kulp**, Surgeon of the **U. S. LIST OF RACES OR PEOPLES.

"Race or people" is to be determined by the stock from which aliens emigrate and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The number of races to which it is to be used only to assist in determining the original stock.

African (black).	Korean.

Croatian.	Pacific Islander.

English.	Ruthenian (Russniak).
Finnish.	Scandinavian (Norwegian, Danish, and Swedish).
Flemish.	Scotch.
French.	Servian.
German.	Slovak.

INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

ITALIAN (NORTH).

The people who are native to the plain of the River Po in northern Italy (*i. e.*, comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the plain of the River Po (*i. e.*, comprising Abruzzi, Basilicata, Calabria, Campania, Emilia, Marches, Romagna, Tuscany, the Abruzzi and Molise, Apulia, Basilicata, Calabria, Campania, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year or more as one year shall be the last permanent residence terminating of lawful or actual residence therein. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that alien's permanent residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. It no such relative lives, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Alien previously admitted to and departed from U. S.).—The entry in column 13 should show definitely whether or not (Yes or No) the alien has previously been admitted to the United States, and if so, when and where.

Column 14 (Alien previously a ticket to and departed from U. S.).—The entry in column 14 should show definitely Yes (or No) whether or not the alien has previously been a ticket to and departed from the United States.

Column 15 (Can read).—The entry in column 15 should show definitely Yes (or No) whether or not the alien can read in any language.

Column 16 (Can write).—The entry in column 16 should show definitely Yes (or No) whether or not the alien can write in any language.

Column 17 (Age).—The entry in column 17 should be the age of the alien at his last birthday.

Column 18 (Sex).—The entry in column 18 should be either M (male) or F (female).

Column 19 (Married or single).—The entry in column 19 should be either M (married), S (single), W (widowed), or D (divorced).

Column 20 (Occupation).—The entry in column 20 should describe as accurately as possible the occupation, trade, or profession of each alien artist, as for example: Civil engineer, electrical engineer, locomotive engineer, mining engineer, mining engineer, steam engineer, stationary engineer, etc., but not simply as engineer, botanist, chemist, dentist, electrician, lawyer, literary man, musician, painter, photographer, physician, sculptor, surgeon, teacher, theologian, trained nurse, etc., but not simply as artist, author, clerk, gentleman, laborer, manufacturer, merchant, miner, servant, tailor, tradesman, or other indefinite designation.

A distinction should be made between farmers and farm laborers, irrespective of the amount of property owned, as follows:

A farmer is one who owns a farm or rents a farm for the term of one or more years and operates it.

A farm laborer is one who works on a farm for the term of one or more years and operates it.

Agricultural laborers employed should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and vetting clerks during the personal examination of alien arrivals.

Column 21 (Able to read and write).—Column 21 should be answered in the affirmative (Yes—Yes) or negative (No—No) as the alien can read but not write, or can neither read nor write.

Column 22 (Nationality).—Column 22 should be construed to mean the country to which alien belongs.

Column 23 (Race or people).—See list of races on back of this manifest. The entry in column 23 should be the race or people as given in that list.

Special attention should be called to the distinction between race and nationality, and columns 22 and 23 should be carefully observed by inspectors and vetting clerks in this regard. For instance, "France" apparently as a nation does not necessarily mean "French" by race or people, and similarly, "French" appearing as a nationality does not necessarily mean "France" by nationality. An alien who is Irish, Scotch, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people (mestizo) and South America of Spanish descent.

VARIOUS (RACE).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of Negro blood of the African Negro should be classified under this heading.

A distinction should be made between "master and owner" and "manufacturer," "retailer" and "wholesale merchant," and all other persons of whom it is evident that they are not laborers, by adding to the word "merchant," "manufacturer," etc., the word "wholesale" or "retail," as the case may be. Persons having no occupation, such as women and children, should be returned as "none."

Column 7 (Can read).—Every person who can read in any language should be set down as able to read, and no others. The ability to read may be tested by requiring the alien to read a few lines printed in the English language.

Column 8 (Can write).—Every person who can write in any language should be set down as able to write, and no others. The ability to write may be tested by requiring the alien to write a few lines in the English language.

Column 9 (Can read and write).—See last two columns.

Column 10 (Race or people).—See list of races on back of this manifest. The entry in column 10 should be the race or people as given in this list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully covered by inspectors and kindly borne in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, but similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

"Spanish-American."

"Spanish-American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK).

Should be classed as "Italian (north)" Most of these people speak a Gallic dialect of the Italian language.

Column 2 (Age).—The return of age in column 3 should be expressed in every case by the latest birthday prior to those taking 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Clerk, bookkeeper, merchant, farmer, engineer, locomotive engineer, mining engineer, piano polisher, steel worker, iron molder, wood turner, etc., but not simply as laborer, engineer, or other indefinite designation.

A distinction should be made between "cotton mill laborer," "railroad laborer," and "laborer" in other cases.

A woman reported as one who works at a trade for the man who employs her.

Seamstress, dressmaker should make this distinction on the manifest, and correction should be made, if necessary, by inspector and report entry should be passed examination at office of arrival.

Column 7 (Able to read and write).—Column 7 is subdivided into the entries therein should be "Yes—Yes (can read and write)," "No—No (can neither read nor write)," or "Yes—No (can read but not write)."

Column 8 (Nationality).—Column 8 should be construed to mean the country to which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and kindly efforts in this regard. For instance, "France" appearing as a nationality does not necessarily mean "French" by race or people, and similarly, "French" appearing as a nationality does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly be described as a subject of the King of England, Emperor of Germany, or Czar of all the Russias, as the case may be, if he emigrated from the British Dominions, German Empire, or Russian Empire, respectively, but his race should be English, Irish, German, or Hebrew, as the case might be.

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining not as long as one year shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that aliens coming to reside permanently in the United States should be distinguished from visitors, tourists, or those coming temporarily for business or pleasure.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be described on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative or friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) of intended future permanent residence. If within the United States; country, if outside the United States.

Column 14 (Whether passage was booked to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (If anyone has paid passage).—The entry in column 15 should show definitely by whom transportation was paid, as the: husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much) – The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money purchased by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; when; where; how and why).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place: as, 1881, Philadelphia.

Column 18 (Going to join relative or friend; and, if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to location by any inspector or other examining officer in the examination of aliens.

"Alien (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

WEST INDIAN.

The term "Cuban" refers to the Cuban people (not Negroes).

INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

Column 2 (Age).—The return of age in column 2 should be entered in every case.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), D or Di (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: *Civil engineer, electrical engineer, locomotive engineer, mining engineer, stone mason, bricklayer, mason, molder, wood turner, etc.*, but do not simply as engineer, bricklayer, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, terms often used to mean the same thing, as follows:

A farmer is one who owns a farm or rents it for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Planters, ranchmen, etc., should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and veteran clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Ye—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country to which the immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should work the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and literary clerks in this regard. For instance, "France" "French" by race or people, and similarly, "England," "Germany," or Hebrew by race under proper conditions. A alien who is Irish, German, or Hebrew by race might properly come under the nationality. A alien who is a citizen or subject of the United Kingdom or was other country by nationality is entered by race (people) and not by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America or Spanish descent.

MEXICAN (RACE).

"Mexican (Race)" refers to the Mexican Negro, Aztec, Tarascan, Mayan, Chontal Indian, Opata or other kindred race of the West Indies, North or South American Negro blood or Mexican Negro blood of any admixture.

MEXICAN (NATIVE).

The people who are native to the land of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

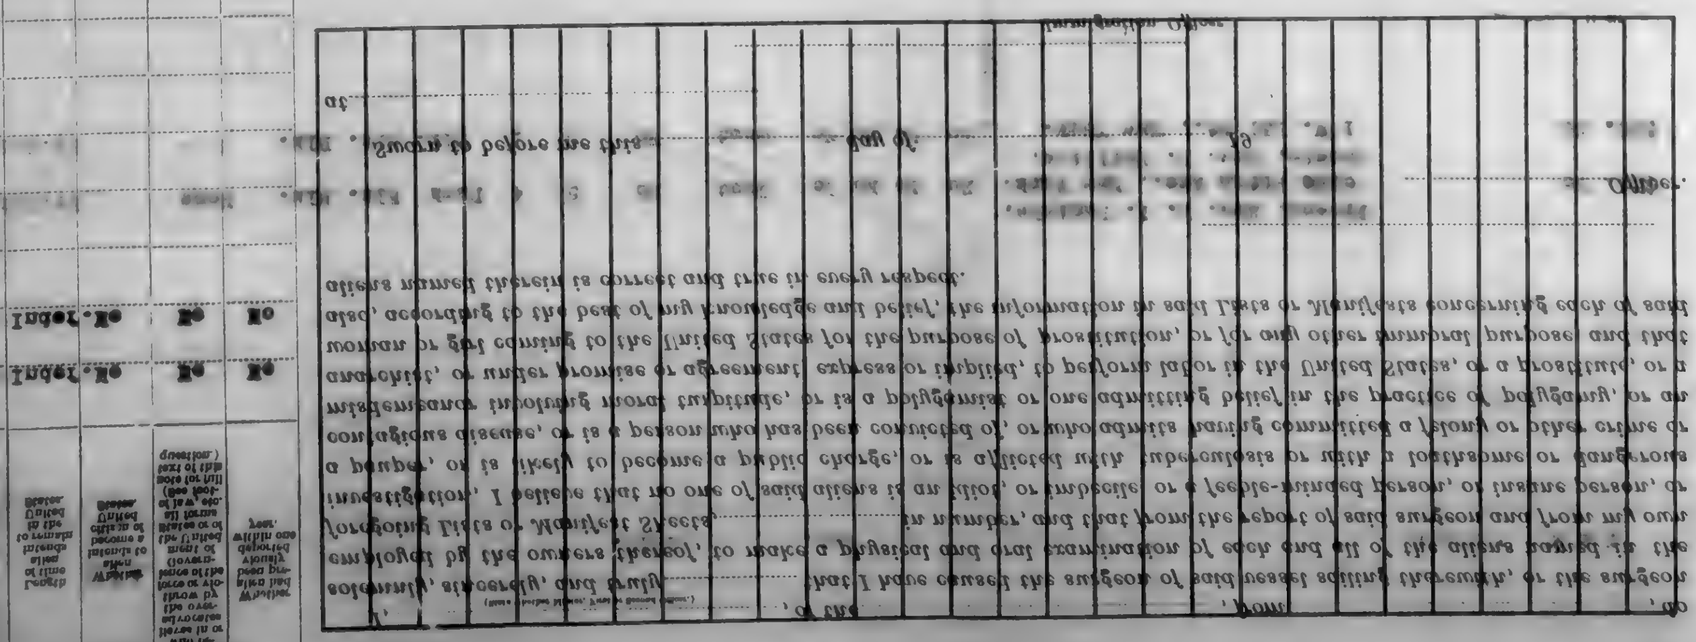
Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence terminated or lawful or actual residence therein. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that alien with permanent residence in one country or province should not be recorded as coming from another country merely because it was their place of birth or nationality, or race.

Aliens who are temporary residents of the United States and are returning from a visit abroad should be recorded as residents of the United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. It do not mean relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).



Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom because was paid; as self, husband, father, brother, or other relative; friend; organization, etc.

Column 16 (Whether in possession of $50, and if less, how much was).—The entry in column 16 should be in each case (individual or family) the exact amount of money shown. Money belonging to the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or month if given) and place; as, 1894 at Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend). - The entry in column 18 should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 25. The answers in these columns are applied to foreign (or native) immigration officer in the examination of aliens.

RECORD OF ALIENS HELD FOR SPECIAL INQUIRY

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

Separate sheets should be prepared for each port at which passengers embark.

I, C. M. Gradatu, Master, of the S. S. Ostiana, from Domestaro, Br. Ostiana, do solemnly, sincerely, and truly Swear that I have carried the vaigton of said vessel sailing therewith, or the vaigton comply with the orders thereof, to make a thorough and mental examination of each and all of the aliens named in the foregoing lists or manifest Sheets, Eight in number, and that from the report of said vaigton and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by the section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said lists or manifest concerning each of said aliens named therein is correct and true in every respect.

C. M. Gradatu
Master Officer.

Sworn to before me this 14th day of April, 19

at

Immigration Officer.

Columns 5 (Hand-luggage marks).—Arrangements must be made to enter in this column. The above is for use of (government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry should be either M (male) or F (female).

Column 2 (Marital or single).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 1 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal carrier, machinist, clerk, boy, servant, waitress, cook, farmer, etc., and not simply as laborer, laborer, worker, farmer, or other indefinite description.

A distinction should be made between farmers and farm laborers, tobacconists and the amount of money, etc., as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Arrangements should be made for detention on the manifest and corrections should be made, if necessary, by interpolation and totally cross-ruling the original examination of alien arrival.

Columns 8 (Able to read and write).—These columns to be filled in opposite the following direction: "Read what language (or, if exemption is claimed, show what claim)." In answering this direction the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country to which alien or citizen of another country does not mean "French" by race or people, and similarly "French" sometimes under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might belong to any one of many countries, including Ireland, Germany, or any other country. In this connection the following distinctions should be observed:

CHAN.

The term "Cuban" refers to the Cuban people and Kongress.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Kongress.

BRAZILIAN (NEGRO).

"Brazilian Mauritian" refers to the Brazilian Kongress, whether coming from Cuba or other islands of the West Indies, Mexico, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., comprising the states of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Portugal, Switzerland, Germany, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., comprising the states of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)." Most of these people speak a Latin dialect, usually known as Italian, but their descendants, whether residing in Italy, Portugal, Switzerland, Germany, Austria-Hungary, or any other country, should be classed as "Italian (north)."

Column 1. (Last permanent residence.)—Name of the country in which the alien has his permanent residence, or if a British subject, the British possession in which he has his permanent residence. If no permanent residence in any country, write "None." Do not write "Europe" or "Asia."

Column 2. (Destination.)—Name of the country to which the alien intends to go permanently. If he intends to return to the country of his permanent residence, write "Return." If he intends to become a citizen of the United States, write "United States." If undecided, write "Undecided."

Column 3. (Whether going to join relative or friend, and if so, name and address.)—The object of the alien's journey must be stated, whether to join relatives or friends, to carry on business, to take employment, or otherwise, stating name and address of relative or friend, if any.

Column 4. (Ticket.)—The words "Through" or "Not through" should be written opposite the name of each alien, according as the ticket held by him does or does not entitle him to pass through to his ultimate destination.

Column 5. (Final destination.)—The words to fill this direction should show the intended future permanent residence. If alien has a ticket through to destination, write "Same." If undecided, write "Undecided."

Column 6. (Whether in possession of $50 and if not, how much less.)—The entry should show definitely by whom moneys are held, as well, possibly, whether by the alien himself, parents, or other relatives, friend, missionary society, etc.

Refugees from Russia should be described as "Russian refugee," etc.

Column 12. (Whether a polygamist.)—Polygamists are aliens who are habitually living with more than one wife.

Column 13. (Whether an anarchist.)—The answer to this question shall show the intended future permanent residence. It matters not if the intended residence is one that would exclude the alien from admission into the United States. The entry should show definitely the place (city or town) of intended future permanent residence.

Column 14. (Whether a person who believes in or advocates or teaches the overthrow by force or violence or by assassination of the Government of the United States, or of all forms of law, or the assassination of public officials, or who disbelieves in or is opposed to organized government, or who is a member of or affiliated with any organization entertaining, teaching, advocating, or disbelieving in any of the doctrines above mentioned.)—The answer to this question shall be "No" or "Yes."

(Signature and title of immigration officer administering oath)

NOTE.—If a surgeon sails with the vessel, the affidavit of examination shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of examination shall be executed at the port of departure before some officer authorized to administer oaths.

ITALIA. NORTH.

The people who are native to that portion of Italy south of the head of the Riviera Po in boxpera Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants wherever resident in Italy). Sometimes called "Italia (south)," "Italia (meridionale)," "Italia," "Italy," the Mediterranean, and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—A visit of 18 months' residence or one year with the intention of remaining one year or more shall be the last permanent residence recorded. The entries in column 11 should show the country and city or town of last permanent residence. It is important to distinguish between last permanent residence and temporary residence. Consult the table of permanent residence under heading of country of temporary residence. Consult the table, alphabetically or else, to ascertain from the list of countries what is the correct name to be inserted. "United States," "United Kingdom," "British Empire" are meaningless and sometimes misleading terms. Consult the list of last permanent residence of aliens who are returned to Europe from the United States and write down exactly the name and address of such person. It should read "United States," "United Kingdom," "British Empire" and not merely "America," "England," "Britain," or "Great Britain." Consult the table of permanent residence of aliens who are returned to Europe from Canada and write down exactly the name and address of such person. It should read "Province of Ontario, Canada," "Province of Quebec, Canada," "Province of Nova Scotia, Canada," "Province of New Brunswick, Canada," "Province of Manitoba, Canada," "Province of British Columbia, Canada," "Province of Saskatchewan, Canada," "Province of Alberta, Canada," "Province of Yukon, Canada," "Province of Keewatin, Canada," "Province of Mackenzie, Canada," "Province of Ungava, Canada," "Province of Labrador, Canada," "Province of Prince Edward Island, Canada," "Province of Anticosti, Canada," "Province of Magdalen Islands, Canada," "Province of Sable Island, Canada," "Province of Miquelon, Canada," "Province of Newfoundland, Canada," "Province of Belle Isle, Canada," "Province of Cape Breton, Canada," "Province of Grand Manan, Canada," "Province of Campobello, Canada," "Province of Deer Island, Canada," "Province of Partridge Island, Canada," "Province of Indian Island, Canada," "Province of Moose Island, Canada," "Province of Long Island, Canada," "Province of Brier Island, Canada," "Province of Seal Island

101

The people who are native to the parish of the River Po in northern Italy (i.e., comprising Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italians (north).

Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the point of the River Po and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, the Levant, the Barbary States, Turkey, Egypt, Malta, Corsica, Sicily, and Sardinia (i.e., comprising all Italians not classed as Italians (north)) and their descendants in America, are classed as Italians (south).

ITALIAN (SOUTH).

Column 10 (Last permanent residence).—An intelligent response is one very briefly connecting permanent residence. The entries in column 10 should show the country, and city or town if possible, of last permanent residence. It is important for statistical purposes that absolutely correct information be given in this column. Many (even of the educated) are apt to write the country of birth instead of the country of last permanent residence, though often both are the same. Aliens who are temporarily residents of the United States and are returning from a permanent residence abroad, should be recorded as such in this column. Aliens who are permanent residents of the United States but are returning from a temporary residence, nationality, or race.

Column 11 (Yrs. and complete address if known if not in U. S.).—Intended future permanent residence shall be the final answer.—The entry in column 11 should give name and address of such relative.

Column 12 (Final destination).—Intended future permanent residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Have you a ticket to final destination?).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (If not upon are you provided with money? how much?).—The entry in column 14 should show whether or not the alien has sufficient money to land, and how much.

Money should be either in the hand of the alien or in the form of a draft, check, or letter of credit. The entry in column 14 should show the amount of money shown.

Column 15 (Whether in possession of [sex, age, and if male, whether married or single, and if married, whether husband or wife of citizen of the United States]).—The entry in column 15 should show definitely whether the alien is married or single, and if married, whether husband or wife of citizen of the United States.

Column 16 (Whether a prisoner, fugitive from justice, or person who has been convicted of a felony or other infamous crime or misdemeanor involving moral turpitude).—The entry in column 16 should show definitely whether the alien has been convicted of, or admits the commission of, a felony or other infamous crime or misdemeanor involving moral turpitude, or admits the commission of acts which constitute the essential elements of a felony or other infamous crime or misdemeanor involving moral turpitude, although the offense may have been committed many years before, and whether the alien has been pardoned or has served the term of imprisonment or punishment imposed. Mere conviction of a misdemeanor not involving moral turpitude should be noted, but is not ground for exclusion unless part of a system of immorality.

Column 17 (Whether coming under contract or agreement, express or implied, to perform labor in the United States, or to a transportation, or other company, or agent thereof, to prepay or assist in prepaying the cost of his transportation, or in any other manner).—The entry in column 17 should show whether the alien has been induced to come to the United States by any offer, promise, agreement, or assistance of the character mentioned, and by whom.

Column 18 (Whether in possession of ticket reaching to final destination, and whether purchased in foreign country or in the United States, and by whom purchased).—The entry in column 18 should show whether the alien has a ticket, and whether it was purchased in the United States or abroad, and by whom.

Column 19 (Whether owns property, and amount if cash, and whether property is real or personal).—The entry in column 19 should show whether the alien owns property, and if so, whether real or personal, and the amount of cash in his possession.

Column 20 (Whether going to join relatives or friends, and if so, what relatives or friends, and their name and complete address).—The entry in column 20 should show whether the alien is going to join relatives or friends, and if so, what relatives or friends, and their name and complete address.

Column 21 (Whether ever before in the United States, and if so, when and where).—The entry in column 21 should show whether the alien has ever been in the United States, and if so, when and where.

Column 22 (Whether ever in prison or almshouse, or supported by charity).—The entry in column 22 should show whether the alien has ever been in prison or almshouse, or supported by charity, and if so, when and where.

Column 23 (Whether a polygamist).—The entry in column 23 should show whether the alien is a polygamist.

Column 24 (Whether an anarchist).—The entry in column 24 should show whether the alien is an anarchist.

Column 25 (Whether coming by reason of any offer, solicitation, promise, or agreement, expressed or implied, to perform labor in the United States or to a territory, or to a place within the limits of the jurisdiction of the United States, except those persons specifically exempted by law).—The entry in column 25 should show whether the alien has been induced to emigrate by any offer, solicitation, promise, or agreement, expressed or implied, to perform labor in the United States, or to a territory, or to a place within the limits of the jurisdiction of the United States, except those persons specifically exempted by law.

Column 26 (Whether a person who has been deported, and if so, whether at own expense or at expense of any person or charitable organization).—The entry in column 26 should show whether the alien has been deported, and if so, whether at own expense or at expense of any person or charitable organization.

Column 27 (Whether in the United States in violation of law, and how).—The entry in column 27 should show whether the alien is in the United States in violation of law, and how.

Column 28 (Whether under a contract or agreement to perform labor in the United States, and if so, what is the nature of such contract or agreement).—The entry in column 28 should show whether the alien is under a contract or agreement to perform labor in the United States, and if so, what is the nature of such contract or agreement.

Column 29 (Whether a person who has been deported, and if so, whether at own expense or at expense of any person or charitable organization).—The entry in column 29 should show whether the alien has been deported, and if so, whether at own expense or at expense of any person or charitable organization.

Column 30 (Whether in the United States in violation of law, and how).—The entry in column 30 should show whether the alien is in the United States in violation of law, and how.

NOTE.—Each text of this document is as follows: [illegible] to prevent the entry of [illegible] to the United States [illegible] or to the detriment of the laboring classes [illegible] or to the detriment of the United States [illegible] or to the detriment of the United States [illegible] or to the detriment of the United States
